

Company Declaration State Aid

You are being offered assistance under the European Commission's De Minimis regulation (Regulation 69/2001). This allows a company to receive up to 200,000 euros of De Minimis aid over a three year period.

To confirm that you are able to receive this assistance you must therefore declare the full amount of De Minimis aid you have already received over the last 36 months.

The aid may have taken any of the following forms:

- Grants from public bodies
- Loans from public bodies at favourable rates
- Loan guarantees from public bodies
- Differential tax benefits
- Grants from an investment trust (including charities) which may themselves have receive funds from the public body
- Grants from apart publicly funded venture capital fund
- Publicly administered funds, even if the funds were originally not public such as the national lottery
- Waiving or deferral of fees or interest normally due on late payment of taxation or other costs to a public body
- Monopoly licences or guarantees of market share
- Advertising via a public channel such as a tourist board or state owned television
- Consultancy advice provided either free or at a reduced rate
- Training provided either free or at a reduced rate
- Aid for investment in environmental projects
- Provision of free or reduced rate feasibility study for research & development or other assistance with R&D
- Purchase of public land or property at less than market rate
- Benefiting from the provision of infrastructure where your organisation was pre-identified as a beneficiary

These types of aid may have been provided under De Minimis (as De Minimis aid) or under another State Aid regulation. If you are in doubt that aid received was De Minimis aid or about its value, check with the organisation which provided it. If they are unable to say or there is any uncertainty, assume that it was De Minimis aid unless its value exceeded 200,000 euros. Any De Minimis aid awarded to you by Graduate Advantage will have to be declared if you apply, or have applied, for any other De Minimis aid.
